Key Features & Benefits

SIMPLIFY THE PROCESS

- ▶ Eliminate administration and time spent tracking and paying multiple caterers.
- ▶ Orderit will generate an invoice with all relevant accounting and order details, dates, and times. Place your orders from a variety of caterers and pay only 1 invoice.

REDUCE COSTS

- ▶ Orderit saves your company valuable money and time by streamlining the ordering process and enhanced budget control allows the company administrator to set expense limits. Generate reports and track expenditures at the click of your mouse.

ADD CONVENIENCE

- ▶ List attendees to a meeting directly on the order for easy record keeping and CRA compliance.
- ▶ Security features that prohibit unauthorized usage are in place.
- ▶ The administrator has secure, real time access to information online for generating reports by criteria. Users can view menus, place orders, view past orders, confirm or modify pending orders- all through Orderit.ca's convenient online business solution.
- ▶ Access the menu of a great selection of caterers all through www.orderit.ca and delivered directly to you.
